

***Decorative Rope Railing Hardware & Decking Rope Fittings**

At Craftacks India, we take pride in being the industry-leading manufacturers and experts in all things decking rope and fittings. With our extensive range of brass, chrome, black, matte and bronze decking rope cup ends, hooks, wall eye attachment plate, brackets, end caps and customized rope rail fittings, carefully crafted for garden, nautical, rope railing, chair ties, bannisters or decking area projects use, we aim to elevate the beauty and functionality of your outdoor spaces.

Explore our vast selection of top-quality rope decorative hardware and decking rope fittings, perfect for adding a touch of elegance and rustic charm to any garden or decking area. Whether you're looking to create a nautical-inspired theme or a classic, timeless look, our brass, chrome, black or matte oil rubbed bronze finish decking rope railing fittings are designed to cater to all your aesthetic preferences and practical needs.

In addition to our premium decking rope fittings, we offer an extensive array of rope fittings in an assortment of colors and finishes. These fittings are meticulously crafted to complement your chosen rope and enhance the overall appeal of your outdoor sanctuary.

Adding to our repertoire, we also provide outdoor [balustrade](#) and handrails in brass, further elevating your garden's safety and aesthetics. Our balustrade and handrails are not just functional but also imbued with exquisite craftsmanship, making them an eye-catching feature of your outdoor space.

Modern Handrail Brackets for Natural and Synthetic Ropes:

SKU # RDH0111

The modern brackets are easy to install. Simply thread the rope through the hole and install the included

set screw. The threads of the screw will go through the rope to lock things in place. In addition, each bracket comes with two wood screws to attach it to a solid surface. These brackets accept any rope that is 1 inch in diameter. The bracket is 2 1/2" tall and the base plate is 2 1/2" x 1 1/2".

Perfect for:

Handrails

Chair molding

Decorative trim and accent work

Decks or docks

Works with:

Manila

Pro Manila

or any other 1", 1 1/2", 2" or 2 1/2" Diameter rope

Decorative Brass Terminal End Caps/Hooks for Natural and Synthetic Ropes:

SKU #RDH0104

A piece of hardware to install on your rope end that doesn't need to be attached to a wall or post.

These ends will accept any rope that is 1 1/2 inch in diameter. Unlike the Rope End Caps or Rope End Cups we sell, these ends are affixed to the end of the rope and they hang loose, unattached to a wall or post. If you wanted to end your rope railing after a bracket this would be a great product for you to use. These ends could also be attached to a rope that is hung vertically.

Perfect for:

- Handrails
- Chair molding
- Decorative trim and accent work
- Decks or docks
- Works best with
 - Pro Manila
 - Nylon
 - Black Polypropylene
 - Polyester Combo
 - Cotton
 - Tan Polyester

- *NOT recommend to use with our Natural Manila. This rope will not fit.*

The end cups are easy to install. Simply thread the rope through the hole and install the included set screw. The threads of the screw will go through the rope to lock things in place. In addition, each end cup comes with four wood screws to attach it to a solid surface.

SKU #DRF0111

- *NOT recommend to use with our Natural Manila. This rope will not fit.*

The end cups are easy to install. Simply thread the rope through the hole and install the included set screw. The threads of the screw will go through the rope to lock things in place. In addition, each end cup comes with four wood screws to attach it to a solid surface.

These are bronze with a black powder coat finish or a gold or matte nickel plating and look amazing!

Rope Hook Attachment

SKU #RDH0123

Size: Standard for All Decorative Rope Hook/Rope End Cap

Finishes Available: Polished Brass/Polished Chrome/Satin Chrome/Satin Nickel/Oil Rubbed Bronze/Antique Brass/Black Powder Coated/Black Nickel/Bronzed Copper.

Origin: Made in India

Packaging: Each Unit Pc. In Polybag With SS 304 Grade Mounting Screws.

SKU #RDH0123

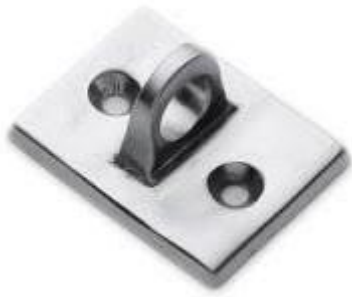

Whether you use an open hook or a snap hook, both will attach to this ring.

This is the mounted ring where the rope hook attaches.

A cool thing about this piece is that the actual ring can be rotated 180 degrees by loosening a screw in the back, moving the ring to orient vertically, horizontally, or any point in between and re-tightening the screw.

The inside diameter of the ring is $\frac{3}{4}$ ". The plate is approximately $1\frac{1}{4}$ " x 2".

Also included with this part are the flat head wood screws needed to attach it to a wooden post.

SKU #DRF0129

Size: Standard for All Rope Hook

Finishes Available: Polished Brass/Polished Chrome/Satin Chrome/Satin Nickel/Oil Rubbed Bronze/Antique Brass/Black Powder Coated/Black Nickel/Bronzed Copper.

Origin: Made in India

Packaging: Each Unit Pc. In Polybag With SS 304 Grade Mounting Screws.

SKU #BRF0105

Size: Standard for All Barrier Rope Hook

Finishes Available: Polished Brass/Polished Chrome/Satin Chrome/Satin Nickel/Oil Rubbed Bronze/Antique Brass/Black Powder Coated/Black Nickel/Bronzed Copper.

Origin: Made in India

Packaging: Each Unit Pc. In Polybag With SS 304 Grade Mounting Screws.
